Aboriginal Services – Larry Cook spoke with Michael Gauthier regarding:

- Treatment Delivery
- Access to home Reservation

Susan Rodgers – University of Western Ontario who is a presenter on Trauma and Managing Behaviours in the Community with Support is confirmed.

Value of Data Base Collection – there was some concern noted regarding this presentation in the areas including:

- OHHA conferences are not a typical place to sell anything
- Many CRF's are using data bases already

Social:

Larry Cook reported that an option for the social could be a group dinner followed by a hospitality suite a live musical theme.

Next Steps:

- In order to get the Agenda Package circulated it was agreed that a follow up meeting would be scheduled in order to allow the committee a final review of the Agenda Package for distribution

6. Women's Community Strategy Meeting – Ottawa September 28-29, 2010

Larry Cook reported that OHHA recently learned that a meeting is scheduled for the Women's Community Strategy in Ottawa on September 28-29, 2010. Larry will attempt to follow up in order to investigate the impact on OHHA participation at our conference.
